Special Thanksgiving Auction Edition '17!

Help your club this Thanksgiving weekend!

Hello Cactus GTO Members,

It's time for us to "gear up" for the Silver Auction this coming week!

This will be a very important one for our club as the Arizona portion of Silver Auctions was recently purchased by a real car guy from Texas. He is putting forth a strong effort to improve the quality of cars being run through the auction going forward.

With those thoughts in mind, we really would like to provide the new owners of Silver Auctions AZ with the kind of skills we have shown in the past, particularly organizing the lot and driving the cars.

For those who have stepped up and volunteered for the auction days, thank you. If you still want to participate, we can still use your help (see selected days noted below.)

Some

of the cars

going up on the

block at

the auction.

This auction should be a lot more fun if the new owners are successful at attracting higher quality collector cars (to see the selection of cars consigned to the Thanksgiving Weekend auction, go to <http://tinyurl.com/y9zrwruo>). We also have always enjoyed these club "reunions". It can be hard work but it's a great way to meet your fellow club members and continue to give each other a "hard time" once in a while. So get ready and "gear up" to have five days of auction fun.

And don't forget: family members and friends with a clean driving record are also welcome to help! The club pays a per diem amount for your work as well (between \$20-\$25 a shift).

See you out there!

Bill McCoy
Co- President
