

Valley of the Goats

Silver Auction Edition 2018

We need your help!

From Cactus GTO Co-Presidents Bill McCoy and Frank Gostyla

Hello Cactus GTO Members,

It's time for us to "rev it up" for the BIGGEST Silver Auction of the year and it's coming up already...THIS WEEK!

This auction will be even more important than the November auction that we just completed. Silver expects that we will have upwards of 500 cars, starting this week at the Ft. McDowell Casino. We had less than half that number in November.

Silver Auctions AZ has been very generous to our club. Their donation in November and their title sponsorship of the upcoming Buick-Olds-Pontiac club show in March has greatly helped our treasury, which, in turn allows the club to do more for its members

You may have noticed that the new owner is putting forth a large effort promoting this event with almost daily ads in the AZ. Republic. They are also continuing to make a huge effort to improve the quality of cars being run through the auction.

With those thoughts in mind, we really want to continue to provide the new owners of Silver Auctions AZ with the kind of turnout and organizational skills we have shown in the past, particularly with organizing the lot and driving the cars. To be successful we need a strong turnout from our members and friends as well.

If you have time available, join us. We had a great time in November. See the PDF and Excel files attached.

For those who have stepped up and volunteered for the auction days, thank you.

In many ways these auctions have turned out to be club "reunions". It can be hard work but it's a great way to meet your fellow club members and continue, in a good-natured way, to give each other a "hard time". So, get ready and let's really "rev it up" to have several days of auction fun. And don't forget: family members and friends with a clean driving record are also welcome. The club pays a per diem amount for your work as well (between \$20-\$25 a shift).

For shifts available and for more information, contact Club Board members Mike Fleury (843) 860-0791; mwfleury@bellsouth.net), or Frank Gostyla (804) 307-5427; fgostyla@comcast.net).

And don't forget to rest your tired feet from the auction at:

Annual After-Christmas Club Party

Saturday, Jan. 27 – 1 pm- 4 pm

The home of Frank and Toni Gostyla, 11348 East North Lane, Scottsdale (off Shea Blvd. and 112th Street)
